Handiconcept are honoured to have been selected as partner by Mike Boon and Patrick Sumi for their forthcoming adventure in which they will run around the entire 170km circumference of Lake Geneva in order to raise money for disabled children.

“Le Defi du Lemman” will take place on 28th and 29th May 2004 starting and finishing in Montreux on the shores of Lake Geneva. All the money raised from this incredible feat of endurance will be donated for use by La Castalie, a local centre for disabled children and adolescents in Monthey, for winter and summer sports activities in conjunction with Handiconcept.

Mike and Patrick have already generated enormous media and public interest in the event. For more information, please visit the dedicated website at www.defi-du-leman.com

Handiconcept would like to take this opportunity to wish Mike and Patrick every success in this exciting venture and to thank them sincerely for inviting us to partner with them.
